## About Bravo Burritos

Bravo Burritos was established more than 30 years ago, April 16, 1985. The founders, William "Bravo Bill" Ellenbecker and Helen Shay Ellenbecker, developed the concept, design, and all of the original recipes. After living in San Francisco for 13 years and traveling extensively throughout Mexico, Bill and Helen returned home to Central MN with the goal of providing the most delicious, healthiest Mexican food in the area; served in a casual, friendly, and eclectic environment.

All of the recipes at Bravo Burritos are prepared from scratch using only the finest, freshest ingredients. Our cuisine is considered heart healthy by the American Heart Association. Not only is our food delicious, it's good for you! Bravos offers eight different meat fillings, plus shrimp, vegetarian, vegan, and gluten free options. Also featured are non-fat beans, freshly prepared salsas, guacamole, and four made from scratch hot sauces! ¡Salud!
